

# Busy Bee's Preschoolers and their families had fun at the pumpkin patch in October.

Thanks to a generous donation from the Jefferson Optimists Club, Busy Bees' preschoolers and their families took a field trip to the pumpkin patch this year. At Busy Bees Preschool children ages two and three from the community and who participate in the Birth to Three Program come together for fun-filled mornings on Tuesdays and Thursdays.

Because we know that families are a child's best teacher, the Busy Bees Program was excited to offer the opportunity for caregivers and children to play and learn together at Busy Barn's Adventure Farm.

Teachers and support staff were available to support children and families in participating in a variety of activities. Families spent the morning together exploring the farm, playing in the barn, taking a hayride and picking a pumpkin to take home.
